## Bedroom profile

Natural materials and tones blend together to create a harmonious finish to this inviting bedroom, part of a contemporary conversion of an historic granary. Underneath the ancient beams, an oak four poster bed is a nod to the ancient past, its simple, linear design a nod to the present. A freestanding roll-top bath completes the sense of boutique hotel-like luxury

### WOODEN WARMTH

Underneath the ancient oak beams of the granary, the linear design of the four poster bed and chest of drawers strike a contemporary note using the same timber
